Dear Peggy,

A recent review of our board history has shown that your term as a director quietly expired in May of this year.

You served Point well during an incredibly difficult time in its development. From my perspective, you gave time and energy above and beyond the call of duty during the rocky process that resulted in today's thriving organization. It's clear to me that you always operated from a deep commitment to 'doing the right thing.' Many of the decisions you made, in troubling gray areas, will make the Foundation more adaptive as we move into the bright future.

I know that I speak for the rest of the board when I express my deep gratitude for your passion and commitment. It's been a pleasure to work with you.

Sincerely,

John R. Sumser
